Hi Katherine,

Unfortunately, we have a full Council meeting agenda on Wednesday and I since I thought we agreed to 2:00pm to 3:30pm, I already have someone else scheduled to come in at 3:30pm.

So, I had to make a few edits to the schedule, so the government-to-government meeting ends at 3:30pm. Awkwardly, I will probably also set my timer for 3:00pm, so that if we have not moved onto the Tribal Concerns and Input by then, I will push the issue.

I apologize that everybody will probably feel rushed and we will probably not be able to have our usual social time period before/after.

Of course, I can never be 100% certain about how a monthly Council meeting will go, so it is possible that we might start late and/or that the Council members will insist that the meeting go longer, but it is my job to at least try to stick to a schedule, so we get out of our Council meetings by 6:00pm.

I hope these revisions are okay. I kept the actual presentation time length the same and just shaved off time for the breaks and pre/post stuff.

I look forward to seeing you again.

Jenni

Hi Jennifer!

I'm looking forward to helping facilitate the EPA's government-to-government consultation with the Chickaloon Native Village Wednesday August 21st! I've gone ahead and revised the draft agenda attached here based on our discussion. Please let me know if this looks good to you or if you would like any additions or changes. We'll be arriving in Chickaloon at 1:15pm and departing at 4:15pm. If Jessica can plan to meet us at the Environmental building that would be great 😊.

Thanks so much,

Katherine Brown, M.S.
